

You'd have
more time on
your hands
if they weren't
on the wheel.

Take mass transit. You could save money, the air and a little time for yourself.

People are finding out why taking mass transit makes more sense than driving. Instead of fighting traffic, you have time to relax, read or even just daydream. You could save money, too. (The average driver spends about 44 cents per mile including ownership and maintenance.)

Plus, you help to reduce traffic congestion and pollution. Which means that you're actually saving a lot more than just time. So keep it up because—

It all adds up to cleaner air
